

not taking
your knowledge for granted

honouring your
own agency

compartmentalization

root cause
→ ideologies

retraumatization
w/o desires, hopes

barriers for
POC

existence of
status quo F.

ENTITLEMENT

labour of naming +
addressing problematic
dynamics put on
racialized people

tokenism
"speaking for heterogenous
community"

nepotism

cultural
accessibility
+ linguistic

essentialism
"mythic essence"

worsening true forms of natural "awareness"/sustainability + extreme "ecocapitalism"

"decrease" consumption

economic marginalization

localized benefits

white environmentalism
= consumerism

social exclusion

limited/narrow identity

white savior complex

invalidates other "non-western" sources of knowledge

poor representation (dist. of justice)

≈ revisionist history

esp. latinx native descent (U.S)
